ADDENDUM

The circumstances under which my wife, Holly Carter, was paid \$7,500 by CBS Productions were as follows:

In connection with the production of a television motion picture entitled "CSI: Crime Scene Investigation" -- a CBS production -- the location manager (Paul Wilson) made a creative decision that it would be desirable to film certain scenes for that program in a residence in our neighborhood (Shakespeare Lane, Stevenson Ranch, California). On a totally random basis, Mr. Wilson or a staff employee knocked on the door of our house and asked my wife if she would be willing to allow filming to take place in our residence for the purpose of photographing scenes for a program. My wife, after conferring with me, agreed, and the filming took place on Wednesday, September 15th continuing through Thursday, September 16th. Pursuant to a standard form agreement that CBS Productions uses in such circumstances, my wife received a payment of \$7,500 in consideration for allowing our premises to be used (accompanied by IRS Form W-9). CBS Productions required that we vacate our home on Wednesday evening and arranged for us to spend the evening at a Hyatt Hotel (room rate unknown). The parties to the transaction were my wife and Paul Wilson in his capacity as Location Manager.

To the best of my knowledge, no CBS officer, agent or employee who is engaged in representing management in its collective bargaining relationship with the DGA or, indeed, in any aspect of doing business with the DGA, had any knowledge of this transaction let alone that Holly Carter is my wife or that she is married to a DGA employee. My wife's employment is not related in any respect to the entertainment industry.
